

THE UPDATE

Forest Park Presbyterian Church
July 2010

A Word From Our Pastor

Dear Forest Park family,
Greetings to you from the beaches of Panama City, Florida! I hope everyone is having a wonderful summer. Though things slow down a bit in the church during this time, things are heating up in our corner of the world. One example of this is our brand new newsletter. Lori Weatherman has been working hard on this for quite awhile and she is now unveiling our first new edition. She will oversee the creative portions of the update and Marilyn will continue to assist her with some of the nuts and bolts things like the calendar,

birthdays and announcements. We are blessed to have this brand new creation of communication.

On July 11th we will welcome Rev. Lemuel Garcia, associate executive presbytery of Salem presbytery, to our pulpit. He is the leader of the central neighborhood of our presbytery, a brother in Christ, and a wonderful person. I extended the invitation to him because I think it is important for our congregation to hear from the leaders of our presbytery. He will bring a message on the mission of the church, I will assist him in leading

worship, and we will share in communion together. Let's welcome him with open arms.

Also, I will begin a new series of sermons this summer entitled: "Foundations of Our Faith." It will be based off the Nicene Creed; the most widely used and accepted creed in all of Christendom. It teaches essential nuts and bolts Christianity. I look forward to preaching this series of sermons to the saints of Forest Park Presbyterian Church!

Blessings,

Scott
